vioted at Watertown, N. Y., in the Fed-eral District Court on September 2 last for misuse of the mails in connection turned from England last week and for misuse of the mails in connection with the affairs of the Oneida Milling Company, was arrested yesterday at his office, 230 Broadway, by Deputy Sheriff MoDonald. The latter acted on an order of arrest on a judgment obtained in the Supreme Court by Isaac Abramowiz for \$1,424. Abramowitz alleged that invough giving false credit statements Hart got cloaks and suits for that amount from a store in Boston.

The inscription on the watch reads: "From the President of the United States to William Trow Aspinall, master of the British steamship Gregory, in recognition of his humane services in effecting the rescue at sea of the members of the American steamship Oklahoma."

The captain was delighted with the

a store in Boston.

Hart, who was released on bail after he had been sentenced to five years in the Atlanta prison on the Oneida Milling case charges, threatened yesterday to "That was the first tattooing I ever had "That was the first tattoo

raising crops.

sue Sheriff Grifenhagen, the attorney for sue Sheriff Grifenhagen, the attorney for am delighted with this present. I was a with his arrest on ground that his rights had been invaded; but he gave a bond of \$3,800 to avoid going to Ludlow street liked to have my mother see it. She is 87 years old."

PROPOSALS.

Commissioners of the Board of Wate

Home subjects treated include polo at Newport; taking movies at Sing Sing; details of beautiful country homes; stars of the drama, and our soldiers at Plattsburg and on the Mexican border.

NEXT SUNDAY'S SUN also contains its full quota of readable features, many of them illustrated and all told tersely and interestingly.

War's effect on fashions is material, Germany controlling so many of the French looms. A striking diagram shows at a glance how extensive this is. See next Sunday's SUN.

Burnless X-rays are the claim of a New York inventor and their possibilities in the war on disease make an interesting illustrated article in next Sunday's SUN.

How the White House could be made a palace while retaining its individuality as a landmark is also described and illustrated next Sunday.
